Workplace Spirituality: A Complete Guide for Business Leaders explains the ins and outs of workplace spirituality to business executives, managers, educators and students who are on the cutting edge of business leadership, and to all workers who want to bring their spiritual selves to work along with their bodies and minds. The book includes basic definitions, an overview of the workplace spirituality movement, specific spiritual traits and resulting on-the-job behaviors, the changing understanding of business in the 21st century, issues of ethics and corporate social responsibility, principles for a spiritual workplace, and tasks involved in incorporating spirituality into leadership and management practice. Included are reflection questions and exercises, four appendixes and an index.
